**We propagate millions
of trees and care for
hundreds of satisfied
customers every year.**

When you grow over 25 million trees for wholesale every year, it's a good indication your product and service are keeping customers happy. At Western Maine Nurseries, 80-plus years in business has given us ample time to figure out the service part. And because we're blessed with rich alluvial soil, abundant, crystal clear water for irrigation and temperatures that range from the 90s in the summer to 40 below zero in the dead of winter, you benefit from seedlings and transplants that are conditioned to thrive in just about any environment.
